

Who are we?

St. Jude's Hauling was founded in 2025 by Michael Piorkowski, inspired by the hard times of moves during life events, Michael created a locally owned junk removal and moving company rooted in strong values and outstanding customer care. St. Jude's Hauling rivals national franchises while maintaining the personal touch of a community business. Dedicated to donating, the team ensures usable items find new homes by partnering with local schools, churches, and organizations. More than junk removal, St. Jude's Hauling is committed to cleaner spaces and stronger communities.

Goal

St. Jude's Hauling is here not just to get the job done but impact our customers lives. Junk removal and hauling services is often needed because of a life change. We are professionals and understand and respect the situation at hand until the job is done!

**No load too Heavy.
No mess too impossible.**

We can help!

Family Business

We are a family business and our care and effort shows. This is only our first year and we have so much more to give!

Services

Moving & Hauling

Whether you are moving or need something heavy moved like a big hutch, piano, etc...we are here to help and are equipped to do it right the first time.

Junk Removal

We can handle the load. No matter the situation we are happy to meet you where you are at. We help folk downsize and donate the used good conditioned items and rush the junk to the landfill.

We work with you!

Situational Friendly

Each person and family is unique. We keep that in mind at every home. Most importantly we really do care about your story and helping our customers go to the next stage of their life.
